(Redirected from [Eng_freecycle.htm](#))

freecycle v. [← free and recycle. Used on KSAZ-TV (US/AZ) January 2005.] To give items away to others rather than throw them away, typically using an online network to coordinate the transfer.

Earliest Citation:

Common usage in Toronto, Canada by 1987. Possibly coined by 'Salvager Dali' (David Hoekstra) of Toronto who was known for his streetside and theatrical salvage work. Hoekstra built and maintained a literal warehouse of 'freecycled' items that were used mainly as props for theatrical, television and movie production.
